### **REASONS FOR ALLOWANCE**

The following is an examiner's statement of reasons for allowance:

Claims 37-56 are allowable because the prior art of record fails to teach, in combination with other claim limitations, an interactive server connected to each communications server, where each interactive server receives data from each communications server and translates the received data a network protocol for transmission via a network to at least one vendor.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
